A word from our Principal,

Since our last Bulletin two secondary trips to Lake Mountain have occurred. Each group had an amazing experience driving up to the snow and spending time in the snow, walking around in snow shoes and generally having great fun. The recent cold weather snap has meant we will be able to have another two trips to the snow before the end of term. These opportunities are limited each year by the weather, so we are indeed lucky this year. Having our own trained bus driver for the snow areas is a bonus as we can make quick decisions depending on the weather.

Our special week this term is Science Week to be held from 18th to 22nd August. Inside the Bulletin you will see further information regarding activities organised for the week. We will share with you through photos and videos the exciting experiments and incursions the staff have arranged for student learning.

Today the Amaze Autism Conference begins and will continue into Friday 7th August. Twenty-four Bulleen Heights Staff will attend over the two days. We will then share this professional learning with the staff in school meetings.

If you are attending the conference please look for our Bulleen Heights School display, which will be staffed by the leadership team. Please come and say hello! I would like to acknowledge Kathy Havers, School Council President, who is presenting at the conference on ‘Financial Planning and Legal Strategies for Families with Disabilities.’

It is the time of the year that the DEECD asks a random selection of 40 parents from each campus to complete a Parent Opinion Survey. These surveys provide feedback to the DEECD and our school community. We are always seeking to improve and provide the highest quality education and teaching and learning environment for our students, staff and families. If you have received one of these surveys, please complete the questionnaire, place it in the envelope provided, seal the envelope, write the name and class of your child on the flap at the back of the envelope and return to school by Friday 8th August. This flap is removed so that all survey forms are anonymous.

I would like to thank parents who have attended the Monday meetings to speak with me about your experiences at the school and your ideas for our future growth and development. Our school will complete a Peer School Review which will be held on Wednesday 10th September, with an independent reviewer and two of my peer principals.

I invite you to contact me to speak with me about your experiences at the school: what we do well, what you would like to see our school doing well over the next five-ten years and what things do we need to work on to enable this to happen. Please email me at merjan.susan.j@edumail.vidc.gov.au or phone me on 98507122. Your feedback is valuable to the continuing improvement of our school and will be kept anonymous.

Susan Merjan
The Bulleen Heights School community is proud to promote our school council president Kathy Havers, who will be presenting at the 2014 Victorian Autism Conference.

Kathy Havers

Financial planning and legal strategies for families with disabilities

Fri 1.30pm, Accolade Room

Kathy Havers of Catalyst Financial Group is a qualified financial planner (CFP) and also a parent of a 16 year old son with Autism. She is also the current school council President for Bulleen Heights School in Melbourne and provides an advocacy role to other families with Autism.

She has many carers & families as existing clients, like her own family, advice to families with disabilities is a key areas of specialisation at Catalyst. She has clients all over Victoria, Melbourne and interstate who seek her out due to her specialist knowledge and her own family experience.

As you expect Kathy understands intricately the daily challenges families face first hand and the need to properly plan for the future.

This presentation will provide some relevant and appropriate strategies and ideas to our parents and carers in the community. Often knowing which way to turn or where to start are the hardest steps to take.

The Focus:

- Taxation Opportunities for Families with Disabilities (especially relevant to those with businesses, or self employed or those with investment assets)
- Centrelink Pensions and entitlements the rules and how to maximise the pension for your child in the future
- Use of Superannuation as a savings and investment vehicle for disabled persons and still maximising the pension
- Special Disability Trusts
- Saving for your child with a disability
- VCAT Processes for Guardianship and Administration orders from age 18
- Estate Planning considerations and options

A couple of case studies will be worked through along with an overview of the rules and strategies that can apply. Kathy speaks in a language that is easy to understand for those who have little or no financial or legal experience.

Bulleen Heights School will also be represented at the 2014 Victorian Autism Conference with a exhibitor booth on Thursday and Friday.
Science week

Primary science week will include a range of fun and engaging activities designed to encourage students to explore science in the world around them. Classes will participate in a variety of science experiments during the week along with two science incursions.

In a safe and controlled environment students will get up close and personal with friendly farmyard personalities! Students will be encouraged to interact, pet and get to know a diverse range of farmyard animals, including a calf, lambs, goats, rabbits, guinea pigs, piglet, rooster, chooks, chickens, ducks, goose & a turkey.

The team at Hands on Science will be coming along to do a ‘Weird Science Show’ with the students. Students will be involved in a range of hands on sensory science experiments that encourage the students’ natural curiosity about the world with Hands On Science’s fun and educational science.

Parents will also be invited into the classrooms during the week to check out what the budding scientists have been up to. Stay tuned for more details.

Secondary science week will include a range of fun and engaging activities designed to encourage students to explore science in the world around them. Classes will participate in a movie competition, where students will explain and demo a science experiment. There will be a range of exciting class special activities available for classes to book, including; Raised vegie patch planting, giant bubbles, digital microscope view of seeds, and scientist photobooth. And last but not least, two incursions are planned for the week.

An incursion from CERES where students will:

- Explore the life cycle of a vegetable.
- Discover what a seed needs in order to grow healthy and strong.
- Find about how to grow a vegetable garden with companion planting.
- Investigate if a plant is healthy.
- Learn about different soils.
- Find out how worms help gardens grow.

An incursion from Hands on Science where students will explore:

- Demo dry ice and bubbles
- Dry ice ice-cream [ cream]
- Ghost crystals [ in zip lock bag]
- Rattler/ Physics
- Pineapple and carnivorous plants [ pineapple and jelly]
- Demo Fire

I can’t wait to see some excited budding scientists week 6.

You are invited to an Information Session on the following course;

Certificate 1 in Work Education

When: Monday 18\textsuperscript{th} August 2014
10 a.m. – noon

Where: Elgar Campus
465 Elgar Rd.
Box Hill 3128
Building 3, Level 3,
Reception area

The Certificate 1 in Work Education is a course run over 1 to 2 years, designed to assist students with learning difficulties to develop work skills or prepare them for further vocational training. Students need to be 16 years or over. (for younger students contact Certificate I in Work Education co-ordinator Pam Leopold on 9286 9129)

Format of session:
- Short talk and presentation
- Tours of the campus and facilities
- Meet with students currently doing the course.

Morning tea provided.
RSVP: Pam Leopold ph.9286 9129 or p.leopold@bhtafe.edu.au
Certificate 1 in Work Education

The Certificate 1 in Work Education is a course run over 1 or 2 years, designed to assist students with learning difficulties to develop work skills or prepare them for further vocational training or studies.

Students have a fantastic opportunity to study a variety of industries -

- Office & Retail
- Hospitality
- Community Services
- Children’s Services
- or an individually designed stream

The course focuses on diverse work experience, enabling students to go out to industry 3 times a year, obtain extensive work experience and staff visit each student regularly.

Certificate 1 Work Education creates a community of

- Flexible & diverse learning environments
- Individualised study programs
- Extra support for literacy and numeracy
- An opportunity to complete a selection of CGEA units

This course leads in to employment in a range of occupations or further study.

Further study options: office administration, catering, hospitality, a range of trades, retail, community services.

Students study at the Elgar Campus. Please apply through direct entry
For more information, contact the Health and Community Services Centre,
Box Hill Institute Elgar Campus, Building 3, Level 3, 465 Elgar Rd, Box Hill 3128 Phone 9286 9129
Students welcome 16 years or over, though in the case of a younger student, contact Certificate 1 in Work Education co-ordinator Pam Leopold to discuss. Email: p.leopold@boxhill.edu.au

If you do not wish to provide the requested information, this may restrict the range of services and educational programs that the Institute can offer you"
Northland Shopping Centre, in partnership with Amaze (formerly Autism Victoria), has today opened Australia’s first ever shopping centre ‘Quiet Room’ - a sensory soothing space for individuals with Autism.

Built entirely by local volunteers and businesses and led by a passionate committee with most members having been personally touched by Autism Spectrum Disorder (ASD), the pioneering ‘Quiet Room’ concept has been introduced in a bid to give the 55,000 Victorians affected by ASD a positive shopping experience.

Amaze CEO Fiona Sharkie explains, “It can be very difficult for parents with children on the spectrum to be able to come out to public places, such as shopping centres, for fear of their child having a ‘meltdown’ due to too much sensory stimulation. And not just children – adolescents and adults with ASD are often overwhelmed by the sensory experience that is ‘shopping’! Northland Shopping Centre, together with our Autism experts, have constructed a specially designed ‘Quiet Room’ offering individuals and their carers space to reduce their anxiety, where they can get access to power, sensory soothing items, bean bags and other useful materials to help reduce over-stimulation.”

It is a little known fact that one in every 100-110 people is affected by ASD. This equates to around 250,000 Australians. It is a developmental condition which affects individuals in two main areas:

1. Impaired communication and social interaction
2. Restricted, repetitive patterns of behavior, interests or activities

Centre Manager, Michael Bickers, is thrilled that Northland Shopping Centre will become more accessible to its valued customers and centre staff affected by ASD.

“We hope this revolutionary idea will help individuals and their carers feel more comfortable in this and other public spaces and perhaps further engage with the community. Furthermore, we’re committed to growing awareness of ASD at Northland by using our communication channels to promote the many wonderful ASD services and programs available within the local community”, said Bickers.

Australia’s first ever shopping centre ‘Quiet Room’ was unveiled by Cr. Gaetano Greco, Mayor of the City of Darebin and CEO of Amaze, Fiona Sharkie, this morning at Northland Shopping Centre. Volunteers, community members and local businesses attended along with representatives from Amaze and Northland Centre Management. For further details, please contact...

BOOK TICKETS IN ADVANCE & BEAT THE QUEUES
Able Australia is one of Australia’s leading disability support organisations, delivering high quality, person-centred services to people living with multiple disabilities including deafblindness and in community support services.

Able Australia will be Running a School Holiday Program from 22nd September - 26th September 2014 from there Able North Day Service in Reservoir.

It is a FREE program for children (aged between 12 and 18) living with a disability and will feature a range of best practice activities every day. Each activity is individualised, exciting and emotionally and physically stimulating to ensure the specific needs of each individual we support are catered for. From gardening and arts and craft, through to outing to the movies or ten pin bowling, there will be something for everyone!

This School Holiday Program model presents each child with an opportunity to be genuinely engaged and stimulated, while families experience some much needed respite. Respite is an important part of every caring relationship and has a number of benefits, including:

- Increased social connectivity for the child
- Improved employment opportunities for carers or parents
- Reduced stress for the family unit

If you would like to find out more about this program, please contact us on 1300 225 369 or via email info@ableaustralia.org.au. Alternatively call Belinda, Tony or Adrian at Able Lifestyle Choices North on 9478 1455 or email able.north@ableaustralia.org.au. We would be happy to help with any information you may require.
Market Day
Saturday 23rd August
10am-4pm

Stallholders Welcome
For stall bookings email marketday@taralye.vic.edu.au
Parent information session:

**OCCUPATIONAL THERAPISTS**

- 9:15 am (After drop off)
- Monday 25th August
- Pleasant road Parents room

Come and meet our school's occupation therapists;

- Delphine (PRC)
- Kate (MRC)

Hear what they do to help our children and take home some tips you can do at home.

---

**SLICE DRIVE**

The Parents Association are running a slice drive to raise some much-needed funds for our school. Please remember to return your slice drive order forms and money on **TUESDAY 12th AUGUST**.

**Orders will be sent home with your children on Thursday 14th August.**

We thank you all for your continual support with fundraising for the school!
Our Bulleen Heights Students can help you.

Our Work Experience /Vocational Education Program is expanding in 2014 and we are able to assist you in the following work tasks:

- Collating business letters
- Collating conference bags
- Mail outs
- Letter drops
- Packing
- Labelling

We aim to provide meaningful and relevant tasks for our secondary students to develop generic work skills and knowledge, enabling each to transition into his or her choice of post school placement. Work preparation sessions establish sound work routines. The attributes that employers and supported employment service providers look for include: staying on-task for adequate periods of time; working alone and as part of a team; collecting own work materials; maintaining an organised work space; requesting help as needed; following verbal and/or pictorial instructions; working to a good standard; caring for materials and equipment; and making personal choices and decisions.

So if you can HELP please contact Katina Heaslip on 9852 1631 or karaminas.katina.k@edumail.vic.gov.au

WALKING IN AUTISTIC SHOES

Wednesday 30 July 7.30-9.00 pm

Join us to hear from renowned author, lecturer and autism consultant

Born in 1963, thought deaf and diagnosed as psychotic at the age of two, Donna Williams acquired functional speech in late childhood and came to terms with her autism in her 20’s. Donna gained post graduate qualifications as a sociologist and teacher, became the author of ten books in the field of autism, an international public speaker since 1994 and autism consultant since 1996 as well as an artist and musician. Donna will provide a fascinating insight into the world of Autism as someone who has actually been there as both a person with autism and a consultant who has worked with hundreds of children and adults on the autism spectrum.

www.pineslearning.com.au
TIME OUT FOR SPORTS PROGRAM

Commencing:  Friday 1st August, 2014
Concluding:  Friday 5th September, 2014
Time:        4:00pm - 5:00pm
Where:       TEMPLESTOWE SPORTS HALL HIGH ST
             (Melways 33 C 7)

YARRALEEN KINDER

TRIVIA NIGHT FUNDRAISER

Saturday, 6 September from 7.30pm

Bulleen Heights School
49-61 Pleasant Road, Bulleen

Welcome back to the 80's

Feel free to dress up with a touch of 80's but this isn't mandatory!

Book a table of eight for $80 or individually is $15 per head.

Invite your family and friends to make a table.

If you can't make a table and want to attend please let the Kinder know.

You can pay by:
- EFT: BSB Number: 033 365
  Account Number: 313916
  Put your name in the payment details.
- Putting the money (for you or your table of eight) into an envelope with a contact name and phone number.
  If there are any issues we will contact you.
  Place it in Postman Pat at the Kinder.

BYO nibbles and drinks (inc. alcohol) and be sure to bring pockets full of gold coins!

There will be games, auction items and lots of prizes, so join in the fun!

If you have any questions, or if you would like to help out, please contact Leanne (Tom and Nick's mum) on 0404 859 053 or let one of the Kinder teachers know.

It's the social event of the kinder year and we look forward to seeing you there!

Yarraleen Pre School: 92 Rocklea Road, Bulleen, VIC 3105. Tel: (03) 9850 8486 www.yarraleenpreschool.vic.edu.au
What does it feel like?

- I can’t catch my breath. It’s hard to breathe.
- My breathing may sound funny, it may be a bit noisy (wheezing) or it may sound like a whistle.
- Sometimes it may feel like someone is squeezing my chest really tightly.
- I may cough a lot. Sometimes more at night or after sport.
- My throat may feel itchy.

What makes my asthma better?

- My Blue puffer. This is also called a reliever. The medicine in my reliever quickly makes it easier for me to breathe.
- I use my puffer with a Spacer. It helps to get more medicine into my lungs.
Big Futures, in school Mentoring Fundraiser

“...a cross-cultural portrait of life on the cusp of adolescence.”
- THE SYDNEY MORNING HERALD

Jamira, a former little sister, featured in the film will share with you how important a mentoring relationship has been in her life.

By attending this great family event, you will support Big Brothers Big Sisters to continue mentoring vulnerable young people in secondary schools in the City of Monash, so they can fulfil their potential.

**When:** Sunday 10th August – 2.00- 5.00pm

**Where:** Clayton Community Centre

You are invited to a screening of the award

*Tickets available online at Eventbrite and price includes Light refreshments and afternoon tea*
National Young People and Asthma survey

To help inform future activity under the National Young Person and Asthma Strategy managed by Asthma Australia, we have developed a comprehensive survey for young people aged 12-25 years. This survey was designed by the Young and Well Cooperative Research Centre, the evaluators of the strategy, and released in June.

As well as finding out about their asthma and use of medications, this survey will also explore health and well being indicators, allowing for comparisons with more general young person populations.

If you are reading this before 31 July, the cut off date for the survey, please inform any young people you know with asthma of this opportunity. They can access the survey link via the Asthma Australia website. Thank you.

We look forward to sharing the survey finding with the Australian community in national Asthma Week (1-7 Sept).

Your experiences with asthma in the school setting

We are always interested in hearing about your experiences with students’ asthma as staff members. This will help us to share real stories so other staff can understand the importance of being trained and feeling confident to deal with an asthma attack.

Through our website, training packages and social media we can alert other staff to the benefits of Asthma Australia’s FREE training and help improve outcomes for students with asthma across Australia.

All information will be de-identified to ensure privacy.

Please share your story by:
- telling the trainer when they are at your site
- contacting your Schools Coordinator on 1800 ASTHMA
- or you can email your story to info@asthmaaustralia.org.au
  (subject: School Case Study).

Update on the new asthma online training for staff

During this term the new online asthma training package will become available and replace the current one. The changeover will be seamless for you as users.

We encourage staff to use the online package to update their asthma knowledge at any time, e.g. when you have newly enrolled students with asthma.

Funded by the Australian government, asthma training packages are FREE for staff in schools and other education settings. Contact your local Asthma Foundation on 1800 ASTHMA (1800 278 462) for more information on asthma training options for your school or setting.
Ahchoo!
Sniff, Sniff!

Asthma and Hay Fever (Allergic Rhinitis) in Spring.

During Spring time plants, grasses and trees release pollens into the air. As a result, students and staff who are sensitive to pollen may find their asthma and hay fever (allergic rhinitis) symptoms worsening. During days of windy conditions or during thunderstorms more pollen is released into the air. When breathed in these tiny particles penetrate the lungs.

Hay fever is very common during spring and as a result of the strong association between asthma and hay fever, those with both conditions will often experience increased asthma symptoms during this time.

Tips to help your students and staff reduce asthma and hay fever symptoms during spring:
- Ensure Asthma Care/Action Plans are up to date.
- Ensure Asthma Emergency Kits are suitably equipped, accessible and medication is in date.
- Ensure staff are up to date with asthma training & aware of the policy for an Asthma Emergency.

Be aware of which students have pollen as a trigger for asthma or hay fever.
Encourage students to be aware of their own symptoms and to seek assistance when needed.

Check the daily Pollen forecast at melbournepollen.com.au and consider planning activities indoors.

For more information on asthma and hay fever please contact The Asthma Foundation of Victoria. Or visit our website: asthma.org.au

National Asthma Week
1st - 7th September 2014

Why not get your school involved in National Asthma Week (NAW) this year!

We can provide you with all you need to develop your own Asthma Information display. Check out our website asthma.org.au for Brochures and other Resources available. Or send us an email with your ideas and we will see how we can help!

Stay tuned for more about National Asthma Week.
Good Shepherd Buying Service

Seeks your assistance with promoting the Buying Service to Concession Card holders

The Buying Service is a free state-wide telephone service assisting Pension/Health Care Card holders and various non-profit community groups to obtain lower prices on household goods. In utilising an established and trusted network of traders, the Buying Service is able to negotiate discounted prices on a range of items which include fridges, washing machines, air conditioning/heating units, TVs, furniture, beds and other select appliances.

The Buying Service is available to assist with your pricing requests, with no obligation to buy, for both metropolitan and regional areas. The Buying Service is NOT a retail outlet.

To get a quote, look for the item that suits your needs then call the Buying Service with the BRAND and MODEL NUMBER of the item. Visit our website for further information.

Tel: 03 9495 9655
Fax: 03 9270 9350
buyingservice@goodshepVIC.org.au
www.goodshepVIC.org.au/buyingservice
Monday to Thursday 10am-3pm

Whitegoods Appliance Rebate To help concession card holders to reduce both their utility bills and their impact on climate change, energy and water efficient fridges and washing machines purchased through the Buying Service or a registered NILS Provider until 30 June 2012, will be eligible for Sustainability Victoria’s Whitegoods Appliance Rebate of $100. For more Information, call the Buying Service or visit the Sustainability Victoria website:

Information Sessions The Buying Service is available to deliver information sessions to interested parties.

Community Languages Brochures are available in Arabic, Burmese, Croatian, Dari, Dinka, Greek, Hindi, Italian, Khmer, Macedonian, Punjabi, Serbian, Sinhalese, Somali, Spanish, Tamil, Traditional Chinese, Turkish, Vietnamese. Please list your language of interest and we will send a master copy for you to photocopy and distribute.

Newsletters and Publications If you have a newsletter or similar publication, please feel free to promote our service in it. If you do, we would greatly appreciate a copy for our promotional record.

We thank you for promoting the Good Shepherd Buying Service and look forward to your continuing support!

Please find below the Buying Service information brochure and re-order form
