

## Bulleen Heights School OSHC

**Starting January 2016**

After The Bell Aus is delighted to be partnering with Bulleen Heights School to provide families with an enriching After School and vacation care program. After The Bell acknowledges that children’s learning and development are significant within their school environment, which also translates to Outside School Hours Care. We are passionate and enthusiastic professionals who ensure your child is provided with a safe, nurturing and fun experience at our programs.

### Program

Our programs are inclusive of all children and families; including cultural, linguistically diverse and various socio-economic backgrounds. We value the importance of play by providing creative and stimulating activities in a well-supervised and caring environment. We support the growth and development through middle childhood in this environment by creating a culture where children are respected and feel safe. We value this stage of growth and development as an opportunity to further explore and develop life skills where children can reach their own individual potential. While having fun they will form friendships that will last a life time.

### Nutrition

We value the importance of children’s healthy eating choices. At After The Bell children are provided with a healthy nutritional afternoon snack each session. Children have input into the program menu, whilst learning the value of good healthy choices.

### Educators

Each day is an adventure and our Educators help your children create new memories. Our dedicated, trained, qualified Educators have the skills and abilities to ensure your child’s time at the program is rewarding as well as memorable, but foremost making sure your child is always having a fun time.

### Enrolment

To enrol your child with After The Bell you will be required to complete an Enrolment Form and Debit Form as well as providing us with all the required documentation applicable to your child’s circumstances. (EG: Immunisation Record, Medical Information). Parents of children at Bulleen Heights School are also required to complete an Additional Needs form for each child.

Enrolments can be completed on our website [www.afterthebell.com.au](http://www.afterthebell.com.au) or via a paper version also available on the website. An Enrolment Pack containing a printed version of all required forms will be available via the school. Once your Enrolment Form and documents have been submitted our Enrolments Officer will process the documents and when approved you will receive a welcome email which confirms your child’s commencement of care.

**An enrolment information pack can be located in the OSHC program or from the school office**
